Re: INS.FLSA

Dear Mr. Tsungu:

Today I received a telephone message from Susan Dole indicating that you were now handling this case for the Agency. Welcome aboard.

During our telephone conversation this afternoon you indicated that you would get back to me on the Union's written offer to meet with the Agency pursuant to ¶4 of the arbitrator's November 14, 2003, order. I await your good word.

During our conversation you asked for copies of recent letters I had sent Ms. Dole concerning the timing, location, and meeting room accommodations for the December 8-10, 2003, arbitration in San Francisco. Please find the following documents attached to this FAX:

- Letter to Sam Vitaro dated October 8, 2003 (#132530)
- Letter to Susan Dole dated October 14, 2003 (#132718)
- Letter to Susan Dole dated October 29, 2003 (#133384)
- Letter to Susan Dole dated November 10, 2003 (#133655)
- Letter to Sam Vitaro dated November 12, 2003 (#133910)

Finally, you were so kind as to offer to provide me with copies of the two CD data disks that we provided the Agency between December 2001 and February 2002. Disk one contains complete information on "New Claimants". Disk two contains the complete "suffer or permit" claims made in this case. As the information on these disks is extremely confidential (complete

copies are ready and I will have someone from my staff pick up the disk copies in person. Again, these disks contain the information the Union provided to the Agency. I would greatly appreciate obtaining these disks at your earliest possible convenience.

Again, welcome aboard and please feel free to call or otherwise contact me at any time.

Sincerely,

Joe Goldberg
